

Draft Proposed Administrative Procedures
for the New Development and Significant
Redevelopment Program
Harris County

(See also Procedures and Enforcement Mechanisms Set Forth in Harris County's Draft Regulations.)

B-2

Harris County's Notice of Inspection Form – Sediment Tracking from Vehicles

What is the allowable amount and if the inlets are protected what is the problem? Obviously a large build-up in the streets is intolerable, but some dirt in the streets can be expected. Generally builders should clean the streets for weekend sales traffic. Any silt between cleanings should be trapped by the inlet protection.

Page 16, Section 7.01 (a) – Revise Daily to Bi-Weekly and add -- - - -after a 0.5 inch rainfall
